Oh thanks for sorting the news item stuff Sean. Saki are you able to sort the email for the settlement stuff as I'm not really across that part?

Hiya all

Just had a quick chat to Sarah G ahead of her 10.30 call with MO to update on UTS investigation.

A couple of things to note:

The news item (and email to interested parties) providing a heads up of the PDP publication will be posted/sent today **after** the call. Ie this arvo – will advise.

On 8 May (when we publish the PDP and issue media release) Sarah wants it out before market opens ie 0800

Grant requires an email with instruction from Airihi to delay settlement to send to clearing manager, SO and FTR manager @Sara Mateparae – can you arrange?

Cheers

Sean
