NZX Clearing Manager <cm@nzx.com>
Friday, 1 March 2024 6:02 pm
August 9 Interim Price Publication

Good afternoon

Earlier this afternoon prices were published for trading periods 37-42 for August 9 2021 without scarcity pricing. Unfortunately an error has been made resulting in prices being finalised without a virtual provider element which resolves pricing infeasibilities.

Please disregard these prices until further notice. The clearing manager is working through a fix and will advise accordingly.

Ngā mihi,
for the clearing manager

As a participant in New Zealand's electricity market, you're a stakeholder to the services that NZX provides in its role as Market Operator. We are keen to hear from you via the short survey below.
