Hello Electricity Authority!

I've heard you are introducing new Consumer Care Obligations. I'd like to say...

Hello!

* Consumer Guidelines ^{make} COMPULSARY!
this should be a minimum requirement.

* That consumers are talked to well in advance and in person before being cut from their power. Those who rely on power for health + survival will benefit the most from this.

* Please ~~not~~ ^{of} cancellation fees - many
get rid

consumers already struggle to make ends meet, charging them additional costs to stop a plan is ignorant and frankly ~~is~~ pretty cruel - ~~to~~ ^{to} benefit ~~from~~ financially from those who are struggling the most.

Please consider these requests, thank you in advance for this.
