Hello Electricity Authority!

I've heard you are introducing new Consumer Care Obligations. I'd like to say...

I think it is very important for electricity pricing to be as clear and easy to understand as possible, so companies should be made to clarify their pricing and provide lots of info. to consumers. Should have to tell you if you could be paying less somewhere else. Also companies should have to give a lot of notice to people who might be getting cut off. They should have to visit people before cutting off. Disconnection fees should be banned. Companies should actively work with people to pay their debt.

Thank you for making the guidelines compulsory!

Take a photo of this (plus your contact details on the back) and email to ccc@ea.govt.nz before 5pm Tuesday 10 September.
