Hi Chris

Hope you and yours are well.

Sorry, I can't give you a further update on timing of release in addition to what we've already announced.

We are however considering a process for fact checking some of the material in the report provided by participants ahead of its release, and will outline that process in a market brief on 21 September. I'll also be in contact around then to talk that process through.

Thanks Andy

Hi Andy

Hope all is good with you.

Can I get an update on timing for the release of this paper?

Cheers

Chris
