Hi Andrew,

Thanks for your email, perfectly fine to forward the invite to your fund manager clients.

Andy will be speaking but there will be others who will speak to the papers being released. I can confirm these details closer to the time

Regards

Thanks for that S9(2)(a)

I've cc:ed S9(2)(a) who is our events co-ordinator and will be inviting our fund manager clients in case there are any further details required. I assume there are no issues us forwarding the zoom link to those that accept an invite?

One thing that would be good is confirmation of who from the EA will talking – just Andy, or will there be others too?

Regards
Andrew

Ok thanks Andy.

Apologies for the slow response, just back from leave.

I can't see anything from S9(2)(a) as yet, but 1, 2 or 3 November look good. I can't do 4, 5 or 8 November. 9 November onwards also looks ok.

Cheers

Andrew

Hi Andrew

James has asked me to respond.

Yes, I would be keen to meet and discuss the competition review, as well as the EA broader policy work programme. The review is being released on the 27th. It is comprehensive. I suggest that a good time to meet will be once you've had a couple of days to digest it a bit – so how about we find a time in the week of 1 November? The team and I will be meeting with a range of stakeholders that week – I'll ask S9(2)(a) to suggest some times and arrange something

Kind rgds Andy

Thanks S9(2)(a).

I take it James isn't available? I was thinking it would be good to have a conversation around the wider EA work programme, but timing wise it made sense after the wholesale market review study is released (and that would be the key topic). He has spoken in the past to the investment community.

Andrew

Hi James

If possible I was wanting to organise a session with the EA (yourself) and local fund managers following the release of the EA wholesale electricity market review later this month/early November. Given most of the investment community is in Auckland, I suspect it would have to be over a zoom call or something similar.

As I'm sure you appreciate, there is a lot of interest in the review and the regulatory situation more generally.

We'd be happy to work with your timetable, with the only date that would be problematic in late

October/early November being Thursday 4 November.

Regards
Andrew
