Dear Andrew

We are in receipt of your email below, and I understand you would like to make contact with Andy Doube in relation to the wholesale review release.

Andy is currently on annual leave, but is due back in the office on Monday next week and will be able to respond to you then.

Please do let me know if you have any queries in the meantime.

Kind Regards

Hi James

If possible I was wanting to organise a session with the EA (yourself) and local fund managers following the release of the EA wholesale electricity market review later this month/early November. Given most of the investment community is in Auckland, I suspect it would have to be over a zoom call or something similar.

As I'm sure you appreciate, there is a lot of interest in the review and the regulatory situation more generally.

We'd be happy to work with your timetable, with the only date that would be problematic in late October/early November being Thursday 4 November.

Regards
Andrew
