Hi Doug

I've spoken with my counterparts at Genesis – they do not consent to the voluntary disclosure of the swaption agreement.

Given the confidentiality clause in the swaption agreement, this means Meridian is unable to provide a copy of the agreement to you voluntarily.

Let me know if you decide to use the Authority's powers under s46 of the Act.

Cheers

Hi Doug

I've reached out to Genesis to seek consent to provide the swaption agreement. Genesis has asked whether you can provide any background on the relevance of the swaption to the review?

The connection isn't immediately obvious, especially given a lot of information about the swaption has already been publicly disclosed.

Happy to chat on the phone if that's easier.

Cheers

Hi Jason
As discussed, I would like a copy of the swaption agreement between Meridian and Genesis.
I can confirm that while you have provided this to compliance in the past, our internal policies mean that I am not able to access it.
Doug
