Hi Peter

Thanks for coming back to me.

I will need to come back to you with potential options as I will need to find out the availability of our Chair and Board (as we had set aside times with them over the last couple of weeks).

Currently due to Covid-19 restrictions, we are unable to meet in person, but can offer both Zoom and Teams depending on which is easier for your Board.

I will try and send some options to you tomorrow (or at least provide an indication of when I can send these). In the meantime, feel free to contact me if you have any questions

Regards

Hi again S9(2)(a)

Our Board met last Friday and discussed your invitation to meet with the EA Board. They would like to take up your offer. At this stage we would like to arrange for our Chair Paul Ridley-Smith, Director Sheridan Broadbent, and Chief Executive David Prentice to meet. Depending on the timing of the meeting there may be other directors that also are able to join. S9(2)(a) and myself will also attend.

Are you intending to have the meeting in person or by zoom. We can arrange to meet in Wellington as Paul is there and David is generally in Wellington on Fridays so Friday would be a preference, following by Monday, but other days are also OK. Depending on Covid restrictions easing Sheridan will likely have to join via zoom as she is based in Auckland.

If you could come back with a proposed date or two, I can check availability.

Regards

Peter

Dear S9(2)(a)

Apologies for the delay in replying.

We would like to take the opportunity to meet with your Chief Executive and Board members.

With the issues paper being released tomorrow, we propose to review and provide preliminary observations to our Board, which next meets on 5 November. Following this meeting I will come back to you to arrange a suitable time and place once our Board have decided which directors wish to meet with the Authority.

Ngā mihi

**Peter Calderwood**

Kia ora

The Authority is committed to engaging with our stakeholders in an open and collaborative way and welcomes the opportunity to meet with your organisation after the release of the review into competition in the wholesale market.

The review's observations, and a preliminary issues paper - which explores possible policy options - will both be released at the same time on Wednesday 27 October. The review has looked at elevated prices in the wholesale market from January 2019 to June 2021 and whether these prices were determined in a competitive environment. The papers will be available for feedback from interested parties from then, with all the information available on the Authority's website. The consultation process provides a structured approach to most effectively capture all feedback.

The immediate priority during the week of the release will be ensuring all parties have access to the review and issues papers. Once stakeholders have had enough time to review the documents, we would welcome an opportunity to meet with stakeholders. Our Chief Executive and some of our Board members will be available to meet with your Chief Executive and Board members.

Please liaise with S9(2)(a) to arrange a mutually beneficial time for this meeting to take place.
