Thanks Reuben – I'll check that statement (I think s9(2)(ba)(i) said this but I'll check again exactly what they said)

Thanks Julia, and really good run through yesterday btw.

In advance of Tuesday and of me sending through some more (hopefully more detailed and coherent) thoughts on market def, there was one thing in particular that caught my eye in your presentation, which I'll probably have a question about on Tuesday. I'm keen to understand a little bit more about the gentailers' incentives to supply the different risk mgt products.

Cheers
