Hi Luke,

As mentioned at our catch-up today, attached is Meridian's redacted response to some of the questions we asked for the information request (released to the OIA requestor currently but not published yet). Meridian were happy for me to share the redacted version with you.

Also here is the link to the 2023 investment survey – refer to the intro slides (esp the last para on pg 3) and also slides 6-9:
