Apologies it was a bit rushed going through the rest of the analysis questions, but if you have any questions about that stuff (or any of it) please feel free to email or call me

Thanks Julia. We really appreciated your time yesterday; John enjoyed the presentation and it was also great for the rest of our team to see the entire project in one go.

We'll be in touch soon re setting up another meeting to discuss our views on the market definition section.

Ngā mihi  
Luke

Hi all,

Please find attached the slides that I presented at yesterday's meeting. Please do not circulate wider than this group as there is lots of confidential information in them.

Thanks,

Julia
