Thanks Luke – that’s really helpful. And thanks too (in advance) for the thinking you are doing re economic experts – my recent procurement has been more based on very focussed network pricing matters, so any input on how to get the best out of economists on these competition issues, and who might be good to use, would be gratefully received.

Kia ora Luke

Yes, we have copies of the 2023 complaints to the Commission from s9(2)(b)(ii) [redacted], Electric Kiwi (30.08.23), Octopus (28.07.23) and s9(2)(b)(ii) [redacted]

Was there anything arising out of your meeting with the independents on Friday that you think I should know about ahead of our steering committee meeting on the risk management work this afternoon?

The weather here is sunny – quelle surprise!

Hi Rob

Conscious we owe you a response re economic experts – we’re on that. A very quick Q for your side – maybe more of a Julia/Doug question – do you have copies of all four complaints we received from the independent retailers last year? We’re prepping an ‘EA version’ of the set of materials we released to the independents under the OIA last week and just want to confirm what you do/don’t have from the independents.

Hope the weather in KL is more pleasant than drizzly Wellington in June,

Luke
