Subject: No to unfair connection pricing
Date: Tuesday, 10 December 2024 2:14:07 pm

You are required ‘to protect the interests of domestic consumers and small business consumers in relation to the supply of electricity’ but your plans say otherwise.

Making me pay when a new business or housing developer wants to connect to the electricity network is unfair because...

User's Message:

Enter Text: Making me pay for the commercial connection of businesses or housing developments is completely unfair, why should I have to pay for the utility costs of a company that doesn't know I exist? No one should have to invest their money into a companies start up costs, especially if they're not receiving anything in return, these costs should be an investor cost, not a public cost
