Subject: No to unfair connection pricing
Date: Tuesday, 17 December 2024 9:14:45 am

You are required ‘to protect the interests of domestic consumers and small business consumers in relation to the supply of electricity’ but your plans say otherwise.

Making me pay when a new business or housing developer wants to connect to the electricity network is unfair because...

User's Message:

Enter Text: I strongly oppose the proposed changes. This would pass on the costs incurred by developers to everyday New Zealanders who are already doing it tough. This approach risks exacerbating social inequities and creating further hardship for vulnerable communities
