

Entrant generators – context, headwinds and options for power purchase agreements

Appendix B Format for submissions

Submitter: Far North Solar Farm Limited

Q1. Is there any other related work that you think is relevant to our consideration of PPA issues?

No

Q2. Do you have any suggested additions or modifications for PPA terms and concepts?

No

Q3. Do you agree with our definition of PPAs?

Yes

Q4. Have we correctly identified buyer and seller motivations for PPAs?

Yes

Q5. Have we correctly identified how PPAs may fit with other contracts?

Yes

Q6. Do you agree with our characterisation of how PPAs may impact system evolution?

Yes

Q7. Have we correctly identified and understood PPA headwinds?

Yes

Q8. Do you agree with the potential benefits we have identified?

Yes

Q9. Do you agree with the potential risks we have identified?

Yes

Q10. Do you agree with the potential options we have identified?

Yes

Q11. Do you agree with our comments on potential options?

Yes

Q12. Do you have a view on the most promising options?

No.
