Dear Ian

Amendment to Registry Manager Market Operator Service Provider Agreement

I refer to the Registry Manager Market Operator Service Provider Agreement (MOSPA) between the Electricity Authority (Authority) and Jade Software Corporation (NZ) Limited, dated 25 January 2017, relating to services provided by Jade Software Corporation (NZ) Limited as the registry manager.

The Authority would like to amend the MOSPA by:

1) replacing clause 2.1 of Schedule 1 (version 1.2) of the MOSPA with the following:

2.1. The monthly fee is as follows (the "**Monthly Fee**"):

| Monthly Fee | | Starting Index |
|-------------------------|---|----------------|
| Infrastructure | From 1 May 2017 until 1 April 2018: | \$10,903.16 |
| | From 1 April 2018 until 1 July 2020: | \$12,042.91 |
| | From 1 July 2020 | \$12,581.41 |
| Services | | \$39,025.75 |
| System | | \$2,212.33 |
| Additional requirements | | \$570.00 |

2) replacing the 'Disk' and 'Backup' rows of Table 2 in clause 5 of Schedule 1 (version 1.2) of the MOSPA with the following:

| | |
|--------|----------|
| Disk | 16,958GB |
| Backup | 3,120GB |

If you agree to it, this amendment will allow for the increase of disk capacity to cater for forecast storage requirements until 1 July 2021.

The amended Schedule 1 of the MOSPA will become version 1.3.

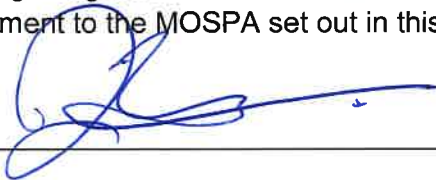

Please confirm your acceptance of the amendment set out in this letter by signing and returning a copy of this letter to me. This amendment to the MOSPA will take effect on 1 July 2020.

Yours sincerely

Grant Benvenuti
General Manager Market Performance (acting)
